Hoisington Labor Day 3 on 3 Official Rules 2009

1. High school basketball rules apply.
2. The tournament will follow a round robin format.
3. No more than 4 persons per team. Once the tournament has begun, no changes in your roster can be made regardless of injury or ejection from team.
4. Coin flip will determine first possession of each game.
5. Games will be played to a score of 11 by ones. Must win by two.
6. The player who feels they were fouled will call all fouls. All calls must be respected. One of the tournament officials can settle highly disputed calls with a coin toss, please – let's not have to resort to this!
7. All dead balls must be checked by the defense behind the check line. When the ball changes possession the offensive team must return the ball behind the check line before attempting to score, even if the ball doesn't hit the rim.
8. No trash talking! Violation of this rule will result in ejection from the tournament.
9. The teams playing will track score.
10. No dunking!

All tournament officials' decisions are final!
